Travel Information and Resources for Vaccinations

If you're planning to travel internationally, it's important to be prepared with the proper vaccinations and health guidance. Below are helpful resources and clinics to support your travel health needs:

- [City of Philadelphia Travel Vaccination Info](#) – Learn which vaccinations may be required based on your destination.
- [Penn Medicine International Travel Clinic](#) – Schedule an appointment for personalized travel health services.
- [Travel Vaccination Clinic List \(PDF\)](#) – Download a list of clinics in the Philadelphia area.
- [CDC Travelers' Health](#) – Access official U.S. government health recommendations for global travel.

Please review these resources before your trip to stay informed and protected.
